El Bizcocho 🕒

The grand dame El Bizcocho has gone through a rough few years of hot-tempered chef drama and daring concepts (degustation-only menu) that didn't do so hot. But there's just too rich a history to ignore a legend of S.D. high-cuisine, and we knew management would step back up to the plate. They just hired Nicolaus Bour as their executive chef. Bour was last seen at Georgia restaurant The Farmhouse, a national attraction for farm-to-table cuisine. Stay tuned, or check him out for yourself on March 24, when El Biz hosts their "French Flavors Dining Odyssey," a five-course affair for \$75 (\$105 with wine pairings).

Dinner Tue.-Sat., brunch Sun. 17550 Bernardo Oaks Drive, 858.675.8550, ranchobernardoinn.com. \$\$\$\$
