ROAD TRIP! Clockwise from top left: The clubhouse at the Park Hyatt Aviara in Carlsbad has been spiffed up; the Fairmont Miramar Hotel & Bungalows in Santa Monica has rolled out a skinny dize menu; Rancho Bernardo Inn boasts San Diego's top spa, where cabana reservations are a must; and the iconic US Grant Hotel in downtown S.D. has launched a supper club package.

## ESCAPE PLAN

# State of Unwind

>>> Escape SoCal's dreaded May gray and June gloom at The **Rancho Bernardo Inn**, an inland paradise where the sun always shines. Go cabana-crazy at the award-winning spa, where you can reserve a massage in a tranquil outdoor hut (paging Bali!). Then, it's off to the private spa pool, where a cabana has your name written all over it. Hey, pool boy. —*Gillian Flynn*
